Christmas Baking

Get your Christmas baking done and enjoy a night out all in one! Sit back and relax while we show you how to make amazing shortbread, a scrumptious assortment of squares, and the best rum truffles you've ever had. The best part is you get to take it all home with you! Every student will leave with a dozen large squares, and enough dough to bake two dozen shortbread cookies and a plate of rum truffles at home, fresh when you need them.

We will make:

- **Whipped Shortbread** in 3 flavours: Traditional, Lemon and Pecan – tender, rich, melt-in-your-mouth cookies
- **Brownies** – decadent chocolate overload
- **Cranberry Crumble** – the perfect sweet/tart dessert
- **Turtle Bar** – layers of pecans, caramel and chocolate on a sweet crust
- **Rum Truffles** – velvety smooth coffee, chocolate and rum confection
- **Rocky Road** – mix of marshmallows, chocolate and peanuts for the kids...or for the kid in you! This is a bonus to take home!
